David Gray
EPA

DG

7:44 PM

Heading to collect the
background samples
now

8:19 PM. Exchange
regarding water samples
during Arkema ER

Sat, Sep 2, 3:05 PM

No hit, we are on our
way

PAdams indicating coming
back from field monitoring
round

Sun, Sep 3, 10:25 AM

Should I send the update to everyone in your email or just to you?

PAdams asking about draft daily update

10:26 AM

Don't send. Is a live document to be sent tonight

Got it

10:27 AM

Sun, Sep 3, 2:47 PM

So far no detect, what is the current situation?

Exchange during manual ignition air monitoring rotation

2:47 PM

Waiting for entry teams to finish

Ok thanks

Still no hit

9.03.2017 cont., 3:07 PM.

3:08 PM

No ignition yet. Soon

Ok

3:09 PM

Anything yet?

3:19 PM

3:40 PM

Ignition

I can see

3:43 PM

3:44 PM

Readings

Nothing

3:44 PM

Poor horse

3:45 PM

3:47 PM

Don't send photos

Ok

Still no hit on our site

9.03.2017 cont., 4:20 PM

Air monitoring during
manual ignition

How much longer do we
monitor?

4:22 PM

4:22 PM

Really???

Just asking... since
black smoke is all
disappearing

4:23 PM

Sun, Sep 3, 5:36 PM

Asking PAdams air monitoring
team to return to ICP

Come back
